

### **Shop Report**

- A slower start to this year compared to last year.
- Some loses in the post but in general most things arrive at their destination.
- No new items added since last report.
- Problems getting things right with magazine

### **Web Master**

- All working well.
- Enquiries coming in & being passed on if I cannot answer them.
- Members purchasing items through the contact me button.
- Would like all information when requests are made to include items on web page.
